

R. Griffon

Operator's Manual

The Robert Griffon vulture is the bird recorded flying at the highest altitude; much as space shuttles are the highest flying aircraft.

Chapter 1.

Engine Start Sequence Protocol

Welcome Aboard Young Pilot.
Let's prepare for space flight!

STEP 1: INITIATE

Press the Launch Button to initiate the sequence

STEP 2: MATCH THE SEQUENCE

Press the buttons as the lights blink

STEP 3: PRACTICE

Astronauts need to masterfully execute a shuttle launch. You have 100 practice sequences in this round.
